

C4K PRODUCTS LLC

CAPABILITY STATEMENT

Facilities Management • Construction Management • Property Services • Disaster Recovery Support • Product Supply
Women-Owned Small Business (self-certified) | Pearland, Texas | Serving the Greater Houston Region

COMPANY OVERVIEW

C4K Products LLC is a women-owned small business headquartered in Pearland, Texas, providing facilities management, construction and renovation oversight, property services, disaster recovery support and product supply to federal, state and local government customers across the greater Houston region. Led by President and CEO Kimberly Watts, C4K pairs the responsiveness of a small business with more than 20 years of corporate real estate and facilities leadership from Vice President Craig Clemmer.

CORE COMPETENCIES

- **Facilities Management & Maintenance Coordination** – multi-site maintenance planning, work-order oversight and service-vendor coordination.
- **Construction Management & Owner's Representation** – schedule, budget and quality oversight on the owner's behalf.
- **Renovations & Tenant Improvements** – planning and oversight of space refreshes, build-outs and move-in readiness.
- **Property Management & Lease Administration** – lease tracking, critical dates, compliance and occupancy support.
- **Disaster Recovery & Facilities Support** – listed in FEMA's Disaster Response Registry for Harris, Galveston and Brazoria counties.
- **Product Supply** – sourcing and delivery of facility, maintenance and operational products.

PRINCIPALS' EXPERIENCE

Experience below belongs to C4K's principals and was gained before the company was formed in August 2025; it is not C4K contract history.

Craig Clemmer, Vice President | 20+ years, corporate real estate

- Multi-site facilities management and maintenance program oversight
- Construction, renovation and tenant improvement project oversight
- Project management, lease administration and vendor management
- Texas real estate license; MBA; U.S. Army veteran

Kimberly Watts, President & CEO | Majority owner (52%)

- Leads company strategy, operations and customer relationships
- Owner of multiple residential properties and primary manager for the properties she leased – tenant leasing, management and maintenance oversight
